

# An Instant, Low-Cost e-Commerce Solution for Non-Profits

## Imagine.....

- Your own secure, branded e-commerce site filled with hundreds of our products and your own custom merchandise.
- It's live in just a few days, and all you've had to do is to approve it.
- All you have to do is to promote your online store to your members, friends, donors and supporters.
- You receive 20% of every product sale, and you see copies of each order in real time.
- You only pay a one-time setup fee of \$250, and next year just a small annual fee.

### We do all the work:

- We set up the site and maintain it for you.
- We manage inventory, add products to the site and make content updates.
- We handle all order processing, shipping, and customer service.

***Think of it as a CaféPress site—WITHOUT all the hassle of setting it up and managing it and WITH a broad array of merchandise in addition to your own custom products.***

**Each month we return 20% of all revenues from product sales right back to you.** We think creating passive income for your organization is a great new way to help groups like yours.

**We save you all upfront product costs and the time spent managing inventory and reordering products.** Given that products usually cost 50%-60% of the listed retail, that you won't have to pay for these products up front, and that we manage the site and order processing, your staff is free to do many other things.

**If you're interested, we'd love to talk with you more about it,** and to start building your online store today, filled with our many products—apparel, watches and jewelry, products for home and office, calendars and stationery products, holiday gifts, plush toys and plenty of product for pets! We'll even add a section of custom products that you can help design using images from our many artists.

**A branded e-commerce site is just another way we can help you raise much-needed funds.** Even with your own e-commerce site, you can still purchase products on our site and custom products at wholesale, with no minimums—and participate in our *Just For Pets* program. **Get started today!**
